List of Publications

Ricardo Vinuesa

FLOW, Engineering Mechanics, KTH Royal Institute of Technology, Stockholm, Sweden

Total number of citations: 8275, $h$-index: 43 (from Google Scholar, June 19, 2024).

1. Peer-reviewed original articles

1This paper was featured on the issue cover of Nature Computational Science.

²See the APS Gallery of Fluid Motion entry: https://www.youtu.be/watch?v=hzUjNyvYuw.

2. Peer-reviewed conference articles

This paper provided one of the cover images for the International Symposium on Turbulence & Shear Flow Phenomena (TSFP-10).

4This article was awarded a Best Paper Honorable Mention at the 9th IEEE Symposium LDAV 2019.

3. Monographs

5. Books and book chapters

6. Patents and inventions

7. Technical reports
